

Application for Camp Fee Subsidy

Return by email to:
info@keatscamps.com

Keats Camperships are distributed annually according to need and the availability of funds. Our Camperships range from \$100-\$250. Because of the large number of campers that we assist, we are unable to offer full Camperships, and would ask that you seek assistance from other organizations or your financial aid worker, before submitting this application. All information is confidential and assists us in determining our ability to help. **Please ensure you fill in this form completely before submission.**
