About Keats

Impact

Keats Camps is a place for fun, connection, and growth. Through our summer program we welcome kids ages 8- 18 to an experience like none other. Kids come to laugh, play, and try new things. They build friendships with their peers and meet young adult leaders to look up to. They grow in confidence through activities and as they learn about Jesus and His love for them. Kids come away with a new sense of belonging and self-worth through these teachings and lived experience.

How to Partner

Keats Camps invites you to join us as we plan and grow for next summer. Your sponsorship allows us to host an event to connect with our community and share the stories of Keats Camps. Our goal for this evening is to not only provide an opportunity for connection but to also raise the necessary funds to run our program.

Event Details

Our event will begin at 6PM. Guest will be welcomed with themed cocktails, gourmet food and an inviting atmosphere for socializing. We will have a silent auction filled with a variety of exciting items. There will be a brief presentation that includes a heartwarming video featuring one of our summer staff followed by a staff alumnus sharing a few words. The evening will continue with more food, bar service and mingling until 9PM.

Date: October 28th, 2022
